

OVERVIEW OF MY DASHBOARD

The Member Dashboard is a great way to stay informed and connected to your community at a glance. Information is organized on individual cards making it easy to see upcoming events, current communications, important documents, dues and payments, and so much more. Members can quickly connect to their personal dashboard by clicking on the My Dashboard link in the top header area of any page on their community website. Members must be logged in to see this link.

Events

- ◆ View a list of upcoming community events, including both simple calendar entries and those created through the Events feature. You will see the name of the event, date, and short synopsis of the event. It gives the option to view events on the calendar, register for events, or indicates if the member has already registered for an event.
